

Terms of Service

The goal of AC Auto Repairs EC is to offer top-notch maintenance and repairs. After the car has been maintained and fixed, it is examined to make sure the work was done in a secure, dependable, and efficient manner.

Similar to any sizable, intricate mechanical device, there could be flaws that are not detected during the test drive and only show up after the car has left the facility.

Please make sure the automobile is returned to AC Auto Repairs EC if you think there is a problem with it. This guarantee is subject to and limited to the vehicle being returned to our workshop so that AC Auto Repairs EC can repair any defective components or workmanship that we supply.

AC Auto Repairs EC will engage an impartial third party, such as the AA, RMI (MIWA), or OMI, in the event that a disagreement emerges about the service or guarantee. The impartial party will produce a report to evaluate the validity of the claim. In the event that the study determines that the defect resulted from defective parts or workmanship, AC Auto Repairs EC will fix it. AC Auto Repairs EC cannot be held accountable if the study finds that the fault resulted from natural wear and tear, intrinsic defects in the car, or poor handling of the vehicle.

At AC Auto Repairs EC, every car is parked and kept at the owner's risk. Till full payment is received, all parts are the property of AC Auto Repairs EC.
